

Article 05.09: Use of MLS Data Entry Form

Last Updated: September 27, 2026

Participants shall utilize the current approved MLS data entry form, complete all required fields and obtain all required signatures. Alternatively, the owner(s) of record may sign the Owners Authorization Display (available when the MLS listing is submitted as incomplete), which contains the proper indemnification statement.

A. Condo/Hotel, Boat Slip and Fractional Listings (if entered) must use the Residential / Rental MLS Data entry form or signatures must be obtained on the Owners Authorization Display.
