

## **Article 19.17: Suspension or Termination of Access to MLS GRID Data**

Last Updated: September 27, 2026

In the event of any default by the Member Participant, or the occurrence of any event which MLS GRID believes may constitute an event of default by the Vendor under these IDX Rules, including any violation of or noncompliance with the MLS GRID IDX Master Data License Agreement, or failure by the Member Participant to pay any fees or fines owing to MLS GRID, MLS GRID may at its option and without prior notice to the Member Participant, and in its sole discretion temporarily suspend, or terminate, the license granted to Member Participant to access the MLS GRID Data until all outstanding fees have been paid in full or the default has been cured.
